### *Generation No. 1*

1. LUDWIG HEINRICH<sup>8</sup> RIEDESEL (*LUDWIG<sup>7</sup>, JOHANNES<sup>6</sup>, JOHANN GABRIEL<sup>5</sup>, WILHELM<sup>4</sup>, JOHANNES<sup>3</sup>, HENRICH<sup>2</sup>, HENRICH<sup>1</sup>*) was born July 12, 1818 in Wunderthausen, and died July 30, 1894 in Wheatland, IA<sup>1</sup>. He married (1) MARIA AMALIA RIEDESEL August 08, 1841 in Wunderthausen, daughter of JOHANN RIEDESEL and FLORENTINE BEITZEL. She was born June 16, 1822 in Wunderthausen, and died about 1848 in Galion, OH. He married (2) ELISABETH SCHUMACHER November 21, 1854 in Galion, OH, daughter of DANIEL SCHUMACHER and SUSANNA ??. She was born October 02, 1831 in New Stanton, PA, and died April 05, 1887 in Wheatland, IA.

#### Notes for LUDWIG HEINRICH RIEDESEL:

Known as L. Henry in America. Came to this country in 1845 with his parents, wife and two known children, three siblings, and the fiance of his brother, J. Ludwig, who came here in 1844. The families lived first at Galion, Ohio. An epidemic (presumably cholera, and certainly not "the plague") claimed the lives of the older couple, Henry's wife Amalia, and their daughter Anna. As of the 1850 census, he was living with his older son in the household of Franz and Anna Homrighausen. 2-year old John was living with the Christopher/Christian Gearhart family. Henry and Franz are listed as farmers though with no stated real estate value (they didn't own the land).

In 1850, Henry and his brother, George, walked from Ohio to Iowa to purchase land. A Davenport-based land agent took them to the area that was to become Wheatland in the Spring Rock Township of Clinton County. They agreed to purchase adjoining property along the Wapsipinicon River. Before returning to their families, they walked to Iowa City to register the deeds. The story is that the land cost less than they expected so they could afford to return by river boat rather than walking; this took them down the Mississippi and then up the Ohio River. Henry and his family actually moved to Wheatland in 1855. The 100-year anniversary history of St. Paul's Church says that L. Henry and Elisabeth came in 1852 but this seems incorrect since family records say they were married in 1853 in Ohio; transcripts of Crawford County marriages say the marriage took place on November 21, 1854, which we will take as authoritative. Henry was naturalized on the same date--November 21, 1854--at Galion.

Others in the family bought land and moved to Wheatland. The town was officially founded in 1858 when the railroad came through. Prior to this time, it was very much an open frontier with limited communications and transportation to the outside world. Life was tenuous. In 1863-1864, several children from the Riedesel and Dürr families (and probably others) died of diphtheria.

Henry was a founder of the German Reformed Church in Wheatland (St. Paul's) and served as one of the first Trustees in 1861. He donated the initial half acre for the cemetery of St. Paul's Church. His land was to the north and east of Wheatland, and most of it has remained in family hands. Before the founding of St. Paul's in 1861, he is recorded as a founding member of a German Reformed congregation or community (Gemeinde) in 1857. In 1878, Henry built a new house to replace the cabin in which they had lived since coming to the area.
