Generation 1

1. **MARIA DOROTHEA¹ ALTHAUS** was born on February 28, 1796.

Notes for Maria Dorothea Althaus:

Born in the house Auf der Leye in Wunderthausen to one of the unmarried Wetzel sisters. The best authority says her mother was Elisabeth Juliana and that her father was an Althaus (whose last name she took). Records show her sailing to New York in 1835 out of Bremen on the ship Apollo. It was a party of two, so it is almost certain that her little daughter Elisabeth was with her. Several other people from Wunderthausen were also on board.

Maria Dorothea Althaus had the following child:

- i. **ANNA ELISABETH² ALTHAUS** was born on July 21, 1834 in Wunderthausen.
