### Generation 2

2. **AUGUSTE CAROLINE ELISE<sup>2</sup> HOMRIGHAUSEN** (Georg Ludwig<sup>1</sup>) was born on November 14, 1869 in Milwaukee, Milwaukee, Wisconsin. She died on March 04, 1942 in Dresden, Sachsen, Germany. She married **HANS RICHARD LEO VON EGIDY**. He was born on June 10, 1868 in Bernsdorf, Bautzen, Sachsen. He died in 1910 in Radebeul, Meißen, Sachsen.

Notes for Auguste Caroline Elise Homrighausen:

I wish I knew more of her life story! Though born in the U.S., she married a German national and had two sons in Germany. She died and was cremated in Dresden during World War II. It is possible that she died because of the war, but Dresden itself was only (and controversially) bombed by the Allies in February, 1945. At least the older son was in America by the time of her death, and both sons died here. Her husband's family had noble origins, though were not necessarily well-to-do.

Hans Richard Leo von Egidy and Auguste Caroline Elise Homrighausen had the following children:

- i. **HORST LOUIS OTTO<sup>3</sup> VON EGIDY** was born on April 09, 1898 in Neugruna, Dresden, Dresden, Sachsen. He died on April 27, 1973 in Charlotte, Mecklenburg, North Carolina.
