

1                      2                      3                      4                      5                      6                      7                      8                      9                      10                      11

My guess is that this was taken around 1900. The pictures that Katherine is holding are presumably the three older daughters. Walter must have died very young and I have never found dates for him.

- 1 Most likely Fred given the hair
- 2 Most likely Louis Jr.; his moustache tilts in both pictures and his hair is wavy as in the wedding picture
- 3 Clearly George
- 4 August seems a good guess; his hair is straighter than some of his brothers and it parts on the left; the single portrait is of a much younger man
- 5 By elimination this would be Ernie
- 6 Has to be Herman
- 7 Louis C.
- 8 Katherine
- 9 Must be Rudy or Julius
- 10 Must be Rudy or Julius
- 11 Has to be Wilhelmine as the youngest daughter
