Notes for Christian Willi Riedesel:

The Social Security Index lists his date of birth as May 18, but the church record in Wunderthausen says May 22 (that is not a baptismal date). Arrived at Ellis Island with his father on September 14, 1893. They were on the ship "Lahn" out of Bremen. In 1940 he is listed as having only three years of education. Although Willi is usually a nickname for Wilhelm, the church record in Wunderthausen calls him "Chr. Willi" so I take that as his given name. However, his grave marker says Wilhelm.

Notes for Anna Duerr:

Social Security Index gives her date of death as April, but another source says March.
